### "Cowboy Action Shooting™

is a multi-faceted shooting sport in which contestants compete with firearms typical of those used in the taming of the Old West: single action revolvers, pistol caliber lever action rifles, and side by side, pump-style, or lever action shotguns. The shooting competition is staged in a unique, characterized, "Old West" style. Contestants shoot in several stages (courses of fire) using four firearms (two pistols, a rifle, and a shotgun)."
