We cannot accept certificates that must be presented to a dealer only in person if that dealer is not present at the match. We cannot accept a percent off coupon for sponsorship. Acceptance of all donations and sponsors are subject to the approval of the Granite City Gunslingers Board, whom reserves the right of refusal.

If you are a sponsor or vendor and are shooting, please submit a "shooters application" along with your sponsorship and or vendor application so we ensure you are entered into the match and provide for the correct number of meals. At all levels, we can place your company's catalog or flier inside the shooter's packets. You must provide us with the catalogs or fliers by June 21, 2024. At all levels you can vend at the match for no charge. Please complete the attached Vendor Application if you plan on vending so we can save a good spot for you.
